Meeting Request

Shalom,

I am glad to tell you that the first delegation of Global CEO program students from China Europe International Business School (CEIBS), together with China's most influential Media Groups' executives, are coming to visit Israel from 27th, April to 5th, May.

For the first delegation from CEIBS, it is comprised of 30 top executives from mainland China. CEIBS is China's NO 1 and world TOP 10 business school, established in 1997, it has grown from a new creation to a world-class business school, with outstanding international and local recognition for its program. Global CEO program is the highest class in CEIBS, with strict selection process, exclusive for company owners of annual sales more than 1 Billion USD. The program is led by three world-renowned business schools: IESE, Wharton and CEIBS. Through the collective knowledge of expert faculty members on three continents, participants gain invaluable insights into global markets. The delegation members are all business leaders in their respective industries and social well-recognized celebrities.

For the second delegation of China Media group, it is comprised of 10 top executives from Mainland China mainstream media groups, including Tencent Media, Beijing News Daily, China International Radio Station, etc.

Here is the information of the two groups:
